Overview

Brand	Acer
Product Line	Acer
Model	V206HQL Abmix
Series	V6 Series
Manufacturer	Acer Displays

Connectivity

Interfaces	Audio line-in/out, HDMI, VGA
------------	------------------------------

Product Information

Features	Security lock slot (cable lock sold separately), VESA interface support
Flat Panel Mount Interface	100 x 100 mm
Packaged Quantity	1
Security Slot Type	Kensington security slot
TV Tuner Presence	No

Included Items

Cables	1 x VGA cable
--------	---------------

Display & Graphics

Bezel Type	Raised
Display Image Brightness	200 candela per square metre
Color Support	16.7 million colors
Display Position Adjustments	Tilt
Display Screen Coating	Anti-glare
Display Screen Technology	TFT active matrix
Display Type	LED-backlit LCD monitor
Dynamic Contrast Ratio	100000000:1
Features	6-bit + Hi-FRC Color Depth, Acer Adaptive Contrast Management (ACM), Acer EcoDisplay, Acer eColor technology, ComfyView, Mercury free
Form Factor	Desktop
Horizontal Refresh Rate	31 - 80 KHz
Horizontal Viewing Angle	90
Input Signal	HDMI, VGA
Interface	HDMI, VGA (HD-15)
Native Resolution	1600 x 900
Pixel Pitch	0.27 millimetre
Response Time	5 millisecond
Screen Size	20 inch
Screen Size (metric)	50.8 centimetre
TFT Technology	TN
Tilt Angle	-5/+25
Touchscreen	No
Typical Response Time	5 ms (On/Off)
Vertical Refresh Rate	56 - 76 Hz
Vertical Viewing Angle	65
Video Format (Non-standard)	HD+

Dimensions & Weight

Comments	With stand
Dimensions Details	With stand - width: 18.2 in - depth: 7.5 in - height: 14.3 in - weight: 6 lbs, Without stand - width: 18.2 in - depth: 2 in - height: 10.9 in
Height	14.3 inch
Weight	5.95 lbs
Width	18.2 inch
Depth	7.5 inch

Physical Characteristics

Color	Black
Color Category	Black

Certifications & Listings

Compliant Standards	MPR II
ENERGY STAR Certified	Yes
EPEAT Compliant	Yes
EPEAT Level	EPEAT Gold
TCO Certified	No

Viewable Size	19.5 inch
Viewable Size (metric)	49 centimetre
V-Sync Rate at Max Res.	60 hertz
Monitor Aspect Ratio	16:9
Display Backlight Technology	LED backlight

Audio

^

Output Type	Speaker(s)
Speaker Output Power	1 watt
Speakers Configuration	Stereo

Power

^

Energy Class	Class F
Frequency	50/60 hertz
Power Consumption (Off Mode)	0.35 watt
Power Consumption (Typical)	16.2 watt
Required Voltage	AC 100-240 volt
Sleep-Mode Power Consumption	0.45 watt

Technical Information

^

Max Operating Temperature	95 degree Fahrenheit
Min Operating Temperature	41 degree Fahrenheit
Operating Humidity	10 - 85%
