Lenovo 14e Chromebook Gen 3

Designed to help students and teachers thrive in classrooms without walls, the Lenovo 14e Chromebook Gen 3 fosters learning in any environment. Built on the popular ChromeOS platform, this light and durable 14" device is packed with new features, including longer battery life of up to 14 hours*, aluminum cover, and an 82% greater higher screen-to-body ratio.

Powered by up to Intel® Processor N200 or Intel® Core™ i3-N305 processors and boasting up to 8 GB memory and up to 128 GB storage, this high-performing device enables inspired learning in today's hybrid environment. As always, cybersecurity is a top priority, with the physical webcam privacy shutter, new mic mute button, and the protection of ChromeOS auto-updating protection.

Lenovo

*Based on Google Chrome Power_LoadTest, a battery run down test. For more information about Google Chrome Power_LoadTest, visit www.chromium.org. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

Lenovo 14e Chromebook Gen 3

EMPOWERED LEARNING

With up to Intel® Processor N200 or Intel® Core™ i3-N305 processors, up to 8 GB of RAM, and up to 128 GB of storage, the Lenovo 14e Chromebook Gen 3 powers through lessons for students and teachers of all grade levels. Learning comes to life with enhanced Waves Audio, along with the improved display that delivers an 82% greater screen-to-body ratio for crisp, clear images.

STAYING CONNECTED

The Lenovo 14e Chromebook Gen 3 has Wi-Fi 6/6E to enable a fast, reliable connection for downloads, uploads, and streaming. Plus, plenty of ports to make it a breeze for teachers to connect projectors and smart boards at school or external monitors and headphones at home. And with up to 14 hours* of battery life, learning lasts all day without pressing pause.

DURABLE MOBILITY

Designed to meet MIL-STD-810H standards, along with enduring a 360ml water spill, the Lenovo 14e Chromebook Gen 3 can keep up with today's fast-paced, learn-from-everywhere environment. This lightweight yet robust device, now with an aluminum A cover, is easy to carry while tolerating rough handling, thanks to anchored, anti-pry keys, reinforced ports, and an impact-tested touchpad.

SUSTAINABLY SOUND

The Lenovo 14e Chromebook Gen 3 not only helps to boost learning outcomes, it also helps protect the planet with more sustainability features than ever like EPEAT Gold certification and PCC recycled materials. Plus, environmentally friendly packaging now includes an FSC-certified carton, PIC-certified cushion, ocean-bound plastic bag, and a paper screen film.

Experience the power of Chrome Education Upgrade.

As learning evolves, the Lenovo 14e Chromebook with Chrome Education Upgrade is empowering educators and equipping students for what's next. Chrome Education Upgrade allows schools to manage hundreds of Chromebooks in seconds. IT admins can deploy new devices, customize features, and configure security settings from one cloud-based admin console.

The intuitive platform allows educators to personalize the student experience by sharing material with the class in real time and rolling out standardized tests with Kiosk mode. When necessary, stolen devices can be remotely disabled or wiped in an instant. Plus, free 24/7 support from the experts at Google ensures a confident user experience for all.

The Lenovo 14e Chromebook enables outside-the-box learning—in the classroom, at home, or within a hybrid model—nurturing individual needs for better learning outcomes.

Lenovo 14e Chromebook Gen 3

Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on learning, not IT.

ChromeOS ZERO-TOUCH ENROLLMENT

Get the right devices to employees while securing endpoints, surfacing new cloud-based tools, and managing overburdened help desks. Zero-touch enrollment from Lenovo and Google allows remote deployment and auto-enrollment, shipping devices ship directly to users.

ACCIDENTAL DAMAGE PROTECTION

Minimize student downtime and protect your device from damage not covered under warranty with unlimited repairs in the event of unintentional mishaps. Accidental Damage Protection is performed by Lenovo trained technicians, using Lenovo Qualified parts and comprehensive diagnostic tools.

CO₂ OFFSET SERVICES

A simple and transparent way to give back to the environment, customers can offset the carbon emissions associated with their Lenovo devices. Lenovo has calculated the carbon emissions of its PCs across their lifecycle, from manufacture and shipment, all the way through usage and disposal. Carbon offset credits are later purchased based on the calculated emissions of the specific device, and Lenovo's carbon offset partner contributes them to one of several United Nations Climate Action projects.

Accessories

Lenovo 15.6-inch Casual Backpack

Perfect for school and work, the compact design of this modern backpack features a durable snow yarn polyester fabric and streamlined style with a padded interior to protect notebooks and important items. Quick-access zip-front pocket for added storage and a quilted back panel make this bag comfortable for all-day use.

PN: 4X40T84059

Lenovo 100 Stereo USB Headset

Get crisp, powerful audio, passive noise-canceling, and hassle-free USB-A plug-and-play. The dynamic rotatable microphone plus leather and memory-foam ear cups provide all-day comfort for every user. This Lenovo headset is Works for Chromebook certified for ChromeOS compatibility.

PN: 4XDOX88524

Lenovo Essential USB Mouse

This ergonomic full-size mouse delivers all-day comfort and easy plug-and-play connection to PCs with a USB cable. A high-resolution, 1600 DPI optical sensor ensures you'll be smoothly gliding from window-to-window.
